## DISCOVERING GREAT TOWNS

Our towns are inextricably linked to our past and to our identity. Today in a complicated world, the notion of living and working in small towns has become a popular dream for many "big city" dwellers. *Discovering Great Towns* takes you on a beautiful journey across North America from the Canadian Arctic to Hawaii to explore the hidden wonders that are our towns.

Each episode is a new journey as we discover an "off the beaten path" destination.

*Discovering Great Towns* is hosted by our writer/producer Lisa van Reeuyk, who gives a natural and introspective look at life in the slow lane.

Beautifully shot, carefully researched and written and totally informative, *Discovering Great Towns* is solid family entertainment.
